

STATE OF MICHIGAN
COURT OF APPEALS

KEVIN SCOTT BELL and JOLENE BELL,

Plaintiffs-Appellants,

v

CALVERT'S ROLL-OFF CONTAINER
SERVICES, INC.,

Defendant-Appellee.

UNPUBLISHED

August 30, 2007

No. 266860

Livingston Circuit Court

LC No. 04-020894-NI

Before: Fort Hood, P.J., and White and Borrello, JJ.

WHITE, J. (*concurring*).

Significant to my joining in the affirmance is that although plaintiffs assert that the court abused its discretion in dismissing the entire action, rather than simply the claims related to the alleged closed head injury, plaintiffs' arguments below and on appeal failed to identify any other specific claims of serious impairment.
